

Selected Bibliography of Municipal Ownership Feasibility Studies American Public Power Association

Est. Population

- 1,340,000 **Maine**. Evaluation of the Ownership of Maine’s Power Delivery System. Prepared by London Economics International LLC. February 2020.
- Pueblo, Colorado**. Phase 2 Municipal Electric Utility Feasibility Study. Prepared by EES Consulting, Inc. October 2019.
- 884,363 **San Francisco, California**. Preliminary Report on Electric Service Options. Prepared by San Francisco Public Utilities Commission. May 2019.
- 111,127 **Pueblo, Colorado**. Municipal Electric Utility Feasibility Study. Prepared by EES Consulting, Inc. January 2019.
- 7,701 **Decorah, Iowa**. Decorah Power Municipal Utility Feasibility Study. Prepared by NewGen Strategies & Solutions. January 2018.
- 1,865 **Ewart, Michigan**. Preliminary Feasibility Study. Prepared by Michigan Solutions Group LLC. August 2012.
- City of Boulder, Colorado**. Boulder Municipal Utility Feasibility Study. Prepared by Robertson – Bryan, Inc. August 2011.
- 31,234 **Jefferson County, Washington**. Final Report Preliminary Feasibility Study Public Utility District No. 1 of Jefferson County Electric System Acquisition. Prepared by D. Hittle & Associates. October 2008. Available electronically.
- Skagit County PUD, Washintgon**. Feasibility Considerations for the Potential Public Utility District’s Takeover of Puget Sound Energy’s Electronic Utility Business within Skagit County. Prepared by Utili Point International Inc., Albuquerque, New Mexico. June 2008.
- 115,000 **Skagit County PUD, Washington**. Preliminary Feasibility Study related to Skagit County Public Utility District Electric System Acquisition. Prepared by D. Hittle & Associates. June 2008. 71 pp.
- City of Paris, Illinois**. Electric Utility Municipalization Preliminary Feasibility Study. Prepared by Latham & Associates, Inc. Sept. 2007.
- 92,196 **City of Boulder, Colorado**. Final Report City of Boulder, Preliminary Municipalization Feasibility Study. Prepared by R.W. Beck. October 2005. 65 pp.
- Belleair, Florida**. Town of Belleair Florida Municipalization Feasibility Study Update. Prepared by First Southwest Company. March 2004.
- 173,556 **City of Chula Vista, California**. City of Chula Vista Municipal Energy Utility Feasibility Analysis Report. Prepared by Duncan, Weinberg, Genzer & Pembroke P.C., McCarthy & Berlin L.L.P., and Navigant Consulting. March 2004. 186 pp.

Clackamas, Oregon. Preliminary Feasible Study Clackamas Utility District Electronic Facilities Acquisition and Establishment of New Electric Utility. Prepared by D. Hittle & Associates Engineers and Consultants. April 2004.

Corona, California. City of Corona Feasibility Study. November 2002.

776, 733* **East Bay Municipal Utility District, California.** Potential Roles as an Electric Utility. Prepared by R. W. Beck, Inc., Sacramento, California, February 2002. 134 pp. Rept. 2224

Oakland, California. Final Report Potential Roles as an Electric Utility, East Bay Municipal Utility District Oakland, California. Prepared by R. W. Beck. February 2002.

St. Henry, Ohio. Preliminary Feasibility Study of the Feasibility of Establishing a Municipally Owned Electric System. Prepared by Courtney & Associates. Aug. 2002.

24,090 **City of Winter Park, Florida.** Electric System Municipalization Feasibility Study. Prepared by Black & Veatch Corp., Kansas City, Missouri, May 2001. 48 pp.

3,105 **Village of Hamburg, New York.** Report to the Incorporated Village of Hamburg on the Feasibility and Creation of a Village of Hamburg Municipal Electric Utility. Prepared by Power Alternatives, Inc., East Setauket, New York, April 2001. 71 pp.

351,150 **Wichita, Kansas.** Final Report City of Wichita, Kansas, Municipalization Feasibility Study. Prepared by R.W. Beck, Denver, Colo., Feb. 2001. 62 pp.

39,758† **Dunedin and Belleair, Florida.** Municipalization Study. Prepared by Strategic Energy L.L.C., Pittsburgh, Penn., 2000. 43 pp.

26,884 **Dover, New Hampshire.** Preliminary Feasibility Study for Electric System Municipalization. Prepared by R.W. Beck in Association with Duncan, Weinberg, Miller & Pembroke, PC, Framingham, Mass., 1996. 43 pp.

42,807 **Palm Springs, California.** Preliminary Feasibility for Electric System Municipalization for the City of Palm Springs, Final Report. Prepared by R.W. Beck & Associates, Sacramento, California, 1994. 39 pp.

74,267 **Las Cruces, New Mexico.** Evaluation of Alternative Energy Sources, Final Report. Prepared by SVBK Consulting Group, Denver, Colorado and Molzen-Corbin & Associates, Las Cruces, New Mexico, 1994. 191 pp.

Las Cruces, New Mexico. Update to the SENSE Task Force Energy Options Analysis, Final Report. Prepared by R.W. Beck and Associates, Denver, Colorado, 1994. 102 pp. Executive Summary, 16 pp.

Las Cruces, New Mexico. SENSE Task Force Energy Options Analysis Final Report, Vol. 1 and 3 (Volume 3 covers some issues for Albuquerque as well.) Prepared by R.W. Beck and Associates, Denver, Colorado, 1991. 168 pp.

* This reflects the entire population of San Francisco. EBMUD is a water/wastewater utility serving the east side of the San Francisco Bay.

† This is the combined population of Dunedin and Belleair. Individually, Dunedin's population is 35,691 and Belleair's population is 4,067.

- 313,619 **Toledo, Ohio**. Phase II Competitive Electric System Feasibility Study: Project Termination Report. Prepared by SVBK Consulting Group, Denver, Colorado, 1994. 46 pp.
- Toledo, Ohio**. Report of the electric Franchise Review Committee. 1992. 187 pp.
- 9,275 **Alma, Michigan**. Preliminary Study of the Feasibility of Establishing a Municipal Electric System in Alma, Michigan. Prepared by Courtney & Associates, Findlay, Ohio, 1994. 73 pp.
- 563,662 **El Paso, Texas**. Electric System Municipalization: Pre-feasibility Analysis. Prepared by the Texas Public Power Association, Austin, Texas, 1993. 15 pp.
- Albuquerque, New Mexico**. Sense Task Force Energy Options Analysis Final Report. Prepared by R.W. Beck and Associates, Albuquerque, New Mexico, February 1991. Available electronically.
- 21,218 **Brook Park, Ohio**. Preliminary Study of the Feasibility of Establishing a Municipal System in Brook Park, Ohio. Prepared by John T. Courtney, Courtney & Associates, Findlay, Ohio; Gregg D. Ottinger, Duncan and Allen, Washington, DC; and James R. Dittmer, Dittmer, Brosh and Associates, Lee's Summit, Missouri, 1991. 36 pp.
- 74,239 **Evanston, Illinois**. Preliminary Study of the Feasibility of Establishing a Municipal Electric System in Evanston, Illinois. Prepared by John T. Courtney, Courtney & Associates, Findlay, Ohio; Gregg D. Ottinger, Duncan and Allen, Washington, DC; and James R. Dittmer, Dittmer, Brosh and Associates, Lee's Summit, Missouri, 1991. 22 pp.
- 1,790 **West Unity, Ohio**. Preliminary Investigation of the Feasibility of Establishing a Municipally Owned Electric System in West Unity, Ohio. Prepared by Courtney & Associates, Findlay, Ohio, 1991. 24 pp.
- 4,290 **Archbold, Ohio**. Detailed Analysis of the Costs & Benefits of the Village of Archbold, Ohio Owning and Operating an Electric System. Prepared by Courtney & Associates, Findlay, Ohio, 1990. 101 pp.
- 6,314 **Rittman, Ohio**. Investigation of Power Supply Alternatives for city of Rittman, Ohio. Prepared by Courtney & Associates, Findlay, Ohio, 1990. 47 pp.
- 1,223,400 **San Diego, California**. SDG&E study: Public Ownership Alternatives. Prepared for San Diego County Water Authority by R.W. Beck & Associates. Sacramento, California, 1989. 3 vols. 348 pp. Executive Summary, 16 pp.
- 2,896,016 **Chicago, Illinois**. Electric Power Options for Chicago: An Overview Prepared by the Mayor's Electric Power Options Task Force. Chicago, Illinois, 1987. 20 pp.
- Chicago, Illinois**. Electric Supply Options Study: Engineering Report Prepared for the City of Chicago Department of Planning. Prepared by R.W. Beck and Associates, Indianapolis, Indiana, 1987. 124 pp.
- 484,674 **New Orleans, Louisiana**. Strategic Plan for Municipalization of Electric Utility Properties Within New Orleans Submitted to the City Council of New Orleans by the City's Legal, Engineering and Financial Advisors Regarding Municipalization. Prepared by R.W. Beck and Associates and others, 1987. Vol. 1 (Executive Summary) 183 pp.

- 96,375 **South Gate, California.** The Economic Feasibility of the City of South Gate Utility Service to Its Inhabitants. Prepared by Ivanhoe Energy Services and Development, Inc., 1987. 76 pp.
- 820 **Okoboji, Iowa.** Report on the Feasibility of Acquiring Electric Distribution Facilities Presently Owned by Iowa Electric Light and Power Co. for Arnolds Park and Okoboji, Iowa. Prepared by Associated Consultant, Inc., 1986. 55 pp. Update of the Report.
- 6,064 **Clyde, Ohio.** Preliminary Feasibility Report on Acquisition and Operation of Electric Distribution Facilities Owned by Toledo Edison Company in Clyde, Ohio. Prepared by J.S. Sawvel & Associates, Findlay, Ohio, 1986. 61 pp.
- Clyde, Ohio.** Final Feasibility Report on Establishment, Acquisition and Operation of a Municipal Electric System in Clyde, Ohio. Prepared by J.S. Sawvel and Associates (Findlay, Ohio) and Duncan, Allen and Mitchell (Washington, DC) 1987. 139 pp.
- 1,960 **Hull, Iowa.** Economic Analysis of distribution Facilities, City of Hull, Iowa: Engineering Report. Prepared by R.W. Beck and Associates, Minneapolis, Minn., 1985. 65 pp.
- 1,274,923 **Maine.** The Feasibility of public power in Maine: report of a study. Prepared by the Joint Standing Committee on Public Utilities, Augusta, Maine, 1984. 27 pp.
- 1,419,369 **Suffolk County, New York.** Feasibility Study of Power Services Delivery Option Municipalization of Electric and Gas Facilities: Suffolk County, New York. Prepared by Daverman & Associates. Syracuse, N.Y., 1983. 263 pp.
- 322,959[‡] **Lane County, Oregon.** Final Engineering and Feasibility Report: Emerald People's Utility District. Prepared by Center 4 Engineering, Redmond, Oregon, 1981. 105 pp.
- 923,459 **Westchester County, New York.** A Collection of Documents Relating to Westchester County, New York's Attempted Takeover of Consolidated Edison's Distribution Facilities 1977-1979.
- Westchester County, New York.** A Summary of the Preliminary Legal Study and Report Respecting the Feasibility of Establishing a Publicly Owned Electric System and Securing Bulk Power in and for Westchester County, New York. Prepared by Duncan, Brown, Weinberg & Palmer. Washington, DC, 1977. 22 pp.
- 43,560 **Columbia River PUD, Oregon.** Public Ownership of the Electric Distribution Facilities in Columbia County, Oregon. Prepared by D.H. Little and Associates, Richland, Washington, 1980. 31 pp.
- 13,121 **Massena, New York.** Rebuttal to the R.W. Beck & Associates Feasibility Acquisition and Operation of Electric Distribution Report on System Submitted to the officials of the Village and Town of Massena, New York and Their Residents. Prepared by Niagara Mohawk Power Corporation. Massena, New York, 1974. 54 pp.

[‡] The Emerald People's Utility District does not serve all of Lane County, but rather 5 districts within the county. For more information, see their web site at www.epud.org/.

Massena, New York. Feasibility Report on Acquisition and Operation of Electric Distribution System, Village and Town of Massena, New York. Prepared by R.W. Beck & Associates, Boston, Massachusetts, 1973. 59 pp.
